

Feedback Form and Questionnaire

**For Parents**

**Intervention: Treasure Baskets**

**What concerns, if any, do you have for the emotional well-being of your child?**

**Is there a designated area that your child has been able to work in, undisturbed?**

**Is this area free for them to go to, at any point, or do they need to clear their work away?**

**How often does your child spend working on their Treasure Basket?**

**How helpful do you think this intervention has been for your child?**

**Is there anything that you would like to see in the Treasure Basket or Top-Up-Parcels, to further help children?**

**Other than school, are you supported by any other services?**

**Thank you for your time in completing our Feedback and Questionnaire Form**  
Your views will help us frame our work to best meet the need within the community.

**Do you feel there is adequate provision for mental health services for children and young people in your area. If yes, please help by explaining access points.**

**Thank you for your time in completing our Feedback and Questionnaire Form**
